Sex M | Date of birth 18/12/1962 | Nationality Dutch

WORK EXPERIENCE

2007 - present

Associate Professor Molecular Epidemiology and Risk Assessment

Radboud Institute for Health Sciences, Radboudumc, Nijmegen, The Netherlands

- Workgroup leader research group Risk Assessment
- Head Research Laboratory Molecular Epidemiology (RLME)
- Principal lecturer and major subject tutor within BSc and MSc programme biomedical sciences
- Course coordinator of national and international postdoctoral training in toxicology and public health
- MSc course coordinator risk assessment (2007-2012)
- MSc course coordinator occupational toxicology (2007-2012)
- MSc course coordinator disaster management (2013-present)
- MSc course coordinator risk characterization (2013-present)

2007- present

Toxicologist

Public Health Service (GGD), Office for Health, Environment and Safety, Tilburg, The Netherlands

- Public Health Advisor Hazardous Materials (GAGS)
- Participation in GAGS team that provides 24/7 response to chemical emergencies for safety regions in South of the Netherlands (Midden-West Brabant, Noord Brabant, Zuid-Oost Brabant, Zuid-Limburg, Zeeland)

1995 - 2007

Assistant Professor Toxicology

Radboud University Nijmegen, Nijmegen, The Netherlands

- RTD coordinator BIOMONECS (EU project)
- Project coordinator BIOMODEM (EU project)
- MSc course coordinator risk assessment (2006-2007)
- MSc course coordinator occupational toxicology (2005-2007)
- MSc course coordinator preparation, intervention and health surveillance for accidents and disasters (2004-2007)
- MSc course coordinator occupational toxicology

1989-1994

PhD Candidate

Radboud University Nijmegen, Nijmegen, The Netherlands

1988-1989

Occupational Hygienist

Occupational Health Service, Haarlem, The Netherlands

EDUCATION AND TRAINING

Academic and post-graduate training

- Principal lecturer since 2009
- Founder of the Research Lab Molecular Epidemiology since 2003
- PhD in Medical Sciences in 1995
- MSc in Environmental Sciences in 1988 (with honours)

Professional training and certification

- Registered Public Health Advisor Hazardous Materials (GAGS) since 2009
- Registered Occupational Hygienist (RAH) since 2001
- European Registered Toxicologist (ERT) since 1997

COMMITTEES

- Chairman of the Contact Group Chemistry and Health (CGC) since 2004
- Chairman of the Registration Committee of the Netherlands Society of Toxicology since 2012
- Member of the expert committee for person certification of occupational professionals since 2004
- Member of advisory council of academic development environment and health (AWPG) since 2008
- Member of the board of the Netherlands Society of Occupational Hygiene (NVvA) 2001-2006
- Member of the committee for education and personal qualification (NVvA) 2001-2009
- Member of the scientific committee on occupational toxicology (ICOH) since 2011
- Member of the board of the section occupational toxicology of the (NVT) 1994-1998
- Member of IARC Working Group Diesel and gasoline engine exhaust and nitroarenes 2012
- 5+ Memberships of local organizing committees for scientific meetings since 1997

PERSONAL SKILLS

- International project coordination
- Coordination and development of university and postgraduate education programmes
- International and national expert committees and consultations
- Development of systems for professional qualification and certification

AWARDS AND HONORS

- Award for project “Mercury exposure in Paramaribo - a golden opportunity for Occupational Hygienists” by the Netherlands Society of Occupational Hygiene (NVvA), May 2010
- University’s Best Teacher Award, University of Nijmegen, September 2004.
- Exploratory award CRAFT project in frame-work programme 4, special measures to stimulate access to R&D facilities for SMEs, 1997
- Cum laude graduation MSc in Environmental Sciences at University of Wageningen, 1988.

Mother tongue(s) Dutch

Other language(s)

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	C1	C1	C1	C1	C1
German	C1	C1	B2	B2	B2
French	B2	B2	B2	B2	B2

Levels: A1/2: Basic user - B1/2: Independent user - C1/2 Proficient user
Common European Framework of Reference for Languages

Communication skills

- Academic teaching
- Independent professional consultations for different stakeholders in society
- Risk communication in the context of chemical incident management

Organisational / managerial skills

- Research group leader and research laboratory management
- Project management including international projects, laboratory networks
- Chair of advisory committees

Job-related skills

- Data mining and literature research (currently responsible for quality audit)
- Research skills in biomedical sciences (see list of publications)
- Research skills in analytical chemistry (see list of publications)
- Editorial skills (guest editor Toxicology letters)
- Peer review of research proposals and scientific journal manuscripts (for some leading journals in toxicology, environmental sciences, analytical chemistry and public health)

Computer skills

- Replace with your computer skills. Specify in what context they were acquired. Example:
- Microsoft Office™, Exposure modelling, Atmospheric dispersion modelling

ADDITIONAL INFORMATION

Publications	100+ Author and co-authorship in scientific peer-reviewed journals
Presentations	10+ books and book chapters
Projects	Editor of special issue Toxicology Letters on Biological Monitoring Chemical Incidents
Conferences	See: http://www.researchgate.net/profile/Paul_Scheepers
Seminars	See: https://scholar.google.nl/citations?user=wQD0MOwAAAAJ&hl=nl
Honours and awards	See: https://www.linkedin.com/pub/paul-scheepers/4/105/b58
Memberships	Invited speaker at scientific conferences and seminars (list on request)
References	Memberships of professional societies in exposure sciences, occupational hygiene and toxicology (ACGIH, CGC, ICOH, NVvA, NVT, NVMM and ISES)

ANNEXES

A complete updated list of publications and of invited presentations can be provided on request
